A Note from Joni

I am honored to join the Lima Memorial Foundation in welcoming you to Ovation, a celebration and recognition of generosity. Philanthropy supports access to incredible health care, right in our own backyards and helps us face the challenges of an ever-changing healthcare landscape.

On October 11, 2018, HCF Family of Companies celebrated its 50th anniversary. When HCF began with one small, family-owned nursing home, Jim and the Unverferth family inspired a family culture of respect and dignity, family values of trust and appreciation and family traditions that celebrate long-lasting relationships. Jim was proud of the 50 years HCF provided quality care to our residents. He was equally proud of our dedicated employees and was looking forward to the next 50 years.

We are proud to share a long-standing tradition of caring for our community with Lima Memorial Health System. Just as Lima Memorial's vision is to provide quality care in a family atmosphere, Jim led HCF's vision of instilling a family culture through world-class service.

Jim led by example. You could always count on his huge smile, big hugs, loving heart and passion for people. Jim was a very caring and generous man, always lending a hand, giving of his time and money and always caring for others. He was an advocate for many great causes, especially in health care and was excellent at asking for donations in support of a worthwhile cause. Please help me honor Jim's memory by supporting the Lima Memorial Foundation. In doing so, we can all assure our community has access to the very best health care.

Sincerely,
Joni Unverferth

A Special Tribute to Jim "Krack" Unverferth

The Lima Memorial Foundation is privileged to be honoring Jim "Krack" Unverferth for his philanthropic spirit that was rooted by a genuine love for people.

noun

- 1: goodwill to fellow members of the human race especially : active effort to promote human welfare.
- 2: an act or gift done or made for humanitarian purposes.

Simply put, philanthropy can be broadly defined as love for humankind. Quite simply, Jim loved people.

Jim has been described as having a heart big enough to do it all. Seemingly, he did as he nurtured a close-knit family ingrained in tradition; cultivated lasting friendships with colorful memories; grew a business and developed a team rooted in family values; and served the community with relentless vigor.

Family: Jim and Joni always put each other first and deeply valued the family unit and traditions, especially those marked by Christmas. Raising five kids, Jim and Joni made it a priority to attend all of their activities and would creatively turn each road trip into an educational opportunity. As much as Jim loved his kids, he LOVED his 11 grandkids. Growing up in a family of all boys, Jim was known as the peacemaker, a trait he carried on through life.

Friendships: Jim was full of life all the time. His adventures with his friends created many tall tales. He enjoyed being around people and wanted to get to know you personally. He made everyone feel important, wherever he went. Be assured, if Jim received an invitation, he'd be there because he understood his presence was important to someone.

Work Family: Jim ran his business like he ran his family. He led with a smile and a caring personality. He had a fond appreciation for his HCF family and understood the power of a great team. Jim firmly believed that caring for the elderly is a privilege and challenge and encouraged his team to rise to the challenge each and every day. He was genuinely grateful for their commitment of loving care and constant attention to infinite detail in caring for the residents.

Community: Jim had a passion for being involved for the good of the community. He always had vigor and intensity and a dose of dynamic energy to lead individuals in a community to a common goal. Whether you take a stroll through the Four Seasons Park in Kalida, play a pick-up game in The Krack House, enjoy the Pioneer Days' festivities or receive great care at Lima Memorial, Jim's impact can be felt far and wide. He could always be counted on to lend support to anything that would help people. Jim was also a leader in the long-term care industry. He believed passionately in the importance of continuing education and raised significant funds to support education that would ultimately benefit care delivered to long-term care residents.

With a camera always in hand, Jim captured the essence of life. Dr. Seuss quoted, "Sometimes you will never know the value of a moment until it becomes a memory." We believe Jim created value in every moment as he lived his life to the fullest and deeply enriched ours.

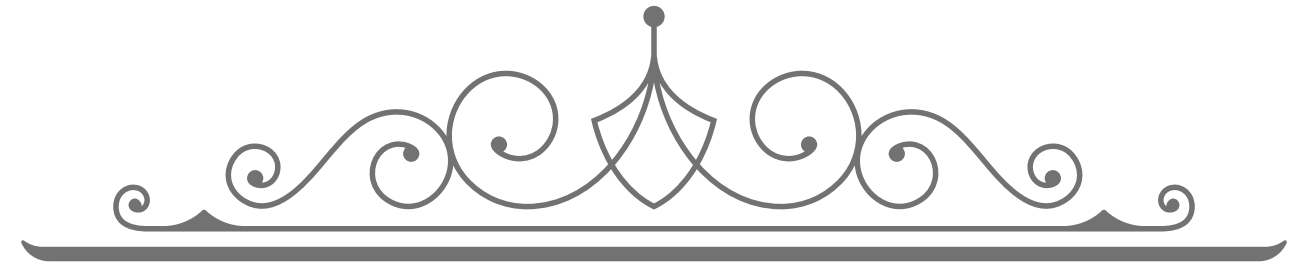

Caring for Our Community

We believe our community deserves local access to world-class health care. That's why the Lima Memorial Foundation takes an active role in advancing the health of our community through philanthropic support for Lima Memorial Health System.

Over the years, the Foundation has been the catalyst for bringing revolutionary technology and enhancements to the Lima region. In recent years, with the support of our community, the Foundation contributed the funds needed for:

Cardiac Advancements and Electrophysiology Program
Advanced Lung Cancer Diagnostic Technology
da Vinci® Surgical Robots
Simulation and Education Training Center
Timmermeister Family Surgery Center
Rehabilitation Equipment
Tru-D Disinfecting Robots
Family Birth Center Expansion
Indian Lake Medical Center Building
Patient and Family Support and Resources
Program and Service Enhancements
Educational and Training Opportunities

We are most grateful to our friends who so willingly invest in the health of our community through philanthropic gifts to the Lima Memorial Foundation. This year, with your support, we look forward to culminating our efforts to fund the transformation of inpatient rehabilitation for our region.

2019 FUNDING PRIORITY
INPATIENT REHABILITATION CENTER

Transforming SPACES Transforming LIVES

Last year, the Lima Memorial Foundation Board of Trustees enthusiastically committed to raising \$2.5 million to completely transform the way inpatient rehabilitation is delivered for our region. The investment will leverage the outstanding care being delivered by Lima Memorial's inpatient rehabilitation team by creating a family-centered, community-based environment, complete with innovative therapeutic technology.

Patients enter our facility having lost the lives they once knew due to a stroke, traumatic injury or devastating illness. Gifts designated to the inpatient rehabilitation project will bring a new level of care to our community and be instrumental in helping these patients return to the life they once knew with confidence.

FOUNDATION FUNDING PRIORITY

Patient Rooms

Patient rooms will be transformed from a clinical design into home-like living spaces so all aspects of daily living can be practiced and mastered.

Additional naming opportunities for patient rooms are available.

Transitional Living Apartment

The new center will also include a transitional living apartment with a functionally designed kitchen and family area to prepare patients and their families for the new challenges they may face when returning home.

Thank you

Don Shirk, former rehab patient with his wife, Joyce

Garage

A uniquely designed garage will house a simulated vehicle for patients and their families to practice safe car transfers.

“This will make a great difference in the attitudes of both the patient and family.”

Ralph Davis, husband of Edna, former rehab patient

Therapy Gymnasium

The therapy gymnasium will be fully equipped with a wide range of innovative technology that is unique to the region and offers unparalleled safety for our patients.

Thank you
Lima Memorial Medical Staff

Leave a Legacy

“Don’t put off until tomorrow what you can do today.”

- Benjamin Franklin

We have all been there before -- justifying to ourselves that even the simplest task can be done tomorrow. But we know tomorrow is never certain. As you prepare for the future through financial planning, please also consider the benefits of planning for a charitable gift. Many options for planned gifts are available to you, designed to meet both your personal needs and help establish or strengthen your legacy.

The Lima Memorial Foundation recognizes the thoughtfulness of individuals who plan gifts to support local health care with membership into the Heritage Society. The Foundation offers many creative ways to structure a gift through bequests, retirement plans, gift annuities, charitable trusts and other charitable gift planning structures. This allows you to care for your loved ones into the future while advancing the mission of the Lima Memorial Foundation.

There are many benefits to planned giving, including but not limited to:

Creating a meaningful legacy by supporting superior healthcare services to individuals and families in the greater Lima region;

Providing attractive tax benefits and

Creating lifetime income.

We would be honored to work with you and your family to help create a plan that fulfills your personal objectives.

Special Thanks
