

NOMINATE A NURSE

Each DAISY Award Honoree will be recognized at a public ceremony in her/his unit and will receive a beautiful certificate, a DAISY Award pin and a hand-carved stone sculpture entitled A Healer's Touch.

Additionally, everyone in the honoree's unit will celebrate with Cinnabon® cinnamon rolls - a favorite of Patrick's during his illness. The Barnes Family asks that whenever and wherever nurses smell that wonderful cinnamon aroma, they stop for a moment and think about how special they are.

**FROM THE BEGINNING
THE DAISY FOUNDATION**

The DAISY Foundation was established in 1999 by the family of J. Patrick Barnes who died at the age of 33 from complications of the auto-immune disease Idiopathic Thrombocytopenia Purpura (ITP). During Pat's eight week hospitalization, his family was awestruck by the care and compassion his nurses provided not only to Pat but to everyone in his family. The family created a Foundation in Pat's memory to recognize extraordinary nurses everywhere who make an enormous difference in the lives of so many people by the super-human work they do every day.
